2- You must turn in this PPI before your project, and by the due date, in order to be on the path to the party! Late PPI's will not be accepted.

3- This project must be your ***personal best*** - the best possible project you can create! Take your time and create a ***quality*** product.

4- On this page, write **2** complete sentences describing your PPI. Capitals, periods and punctuation **must** be used. 2 sentences are required, but you may write more if you choose.

You may use the back of this paper if you need more room to write.
